

2019 – 2020

Nor Cal YBA All Star Nomination Guidelines

In order for a youth bowler to become part of the Nor Cal YBA All Star Team, the Youth Director or official must complete and submit a nomination form. These guidelines will assist you in completing this form.

Tournament Statistics:

1. Scratch Scores ONLY, Placement in tournaments does not count towards All Star selection.
2. List the enter average used for that tournament.

MANDATORY tournaments.

1. Nor Cal YBA Jr./Adult Doubles - Team event is not required for All Stars
2. Nor Cal YBA Youth Doubles

League Statistics: Nor Cal YBA Certified Leagues ONLY.

A league must be YBA registered for a league to count for league participation. Enter the name of the league, day of the week bowled, games per set (for example 2, 3 or 4), total games possible, and total games bowled. Total games bowled should be listed on each league sheet. **Please provide Nor Cal with a league sheet for each league listed.** If you have any questions on this procedure, please feel free to give us a call.

In order to be considered for the Nor Cal YBA All Star Team, bowlers must have bowled in a 2019/2020 YBA Certified Winter League and have 21 or more games in that league.

Bowler's Average Information: In this area, list last year's **BOOK AVERAGE**. as of April 15th. If the individual **did not** have a book average, list the highest summer league average of 21 or more games. The other area you will fill in is their highest **2020 Book Average** as of April 15th (sport averages will only be used if no other league average is available. Sport average adjustments should be made using the Challenge Adjustment Chart for USBC). After completing that box, you can then list their highest YBA certified game and series. By certified, it means that as long as the event they participated in was certified YBA, you can use that score. Remember, for leagues use only Nor Cal YBA certified Leagues, including 2019 Summer Leagues.

Bowler's Personal Information: Please be sure to complete this information area in its entirety. Make sure you have the correct Date of Birth and the right division. Of course we definitely need to know whether they happen to be male or female. When looking at a name such as Chris... It's pretty hard to tell.

Age Divisions for Nor Cal Youth as of August 1, 2019			
Bantams – 9 and Under	Preps – 10 to 12 Years	Juniors – 13 to 15 Years	Majors – 16 to 21 Years

Any center that has a spreadsheet that follows the exact order All Star application can send this instead of the application form. Please make sure that you have ALL information requested on the application or it could cause a bowler to miss out on All Star points.

Youth Bowler's count on you to provide accurate and complete information. Make sure you have provided correct information for each of your bowlers.

If you have any questions, or need any help, please call Cindy Schaal at the Nor Cal office 925-485-1855 or you can E-Mail: cindys@norcalbowling.com

ALL STAR NOMINATION FORMS ARE DUE IN THE OFFICE
BY JUNE 1st
